Does your child suffer from any health conditions that coaches/managers should know about?

- Cricket is a 'hard-ball' game and we encourage safe play, please remind your child of the importance of listening to coaches.
- Current regulations are that helmets and protective equipment must be worn when batting and keeping wicket standing up. We will not accept letters from parents giving permission for children not to wear helmets.
- A responsible adult should stay on site during activity involving a child of 9 years or under.

**Data Protection:**

- Bournemouth CC will use your details for the purpose of registration in 2020.
- BCC will hold your data in a secure electronic format protected by a password known only by the admin & team managers.
- All hard copies of registration forms will be locked away to be used by BCC administrators only.
- Details will only be shared with your age group team manager and the colts coordinator. With health conditions also being shared with the coaching team for Health & Safety purposes.
- All group emails will be sent using the hide addresses function.

I can confirm that I have read and am satisfied with the Data Protection statements above.
